

# E-charging station

## 1 Unlock

Prior to your arrival, inform us if you intend to visit with an electric vehicle, or alternatively, contact the office management to gain access to the electric charging station.

## 2 Select charging point

Confirm with green button

## 3 Plug In

Plug in your vehicle

## 4 Charge

The charging process starts automatically

Only connect cables and vehicles that are in an optimal technical condition. Be cautious of potential tripping hazards. Refrain from parking, engaging in fake charging, or using continuously. **Be considerate! Be fair!**
